

investor service

“The 3SIX0 Advisors methodology is an indispensable asset for identifying market opportunity and assigning true value.”

- James Klein, 1st Vice President, Investments, Merrill Lynch

Our investor clients are smart – very smart!

3SIX0 Advisors clients make informed decisions. Our market-based assessments provide valuable insight into a prospective investment or acquisition. Armed with our information, our clients lower risk, receive higher returns, negotiate better terms, and increase equity value.

“The information received from the 3SIX0 process provides for a clear go/no-go decision.”

- Thomas Turpin, Managing Director, Allied Capital

3SIX0 Advisors utilizes its experienced people and proven process to create clear perspective of a company’s position in the marketplace through the eyes of its customers, prospects, partners, and

competitors. Get a clear perspective on whether or not to proceed with an investment.

“Your third-party insights are the perfect complement to any investment strategy.”

- Jerry Dauderman, Private Investor

- Understand a company’s potential for growth, profitability, and projected ROI.
- Identify trends that may impact the company, category, or market segment.
- Learn about competitive forces and the emergence of alternatives or substitutions
- Evaluate the strength of core customer base and perceptions of potential customers
